Technical parameter:

MODEL NO.	:	APSWAPM-200
Average Production Capacity	:	200 to 220 Kg. per Hrs.
Brand Name	:	APS
Use :	:	Almond, Peanuts, soybean, broad beans, chickpeas
Peeling rate :	:	99%
Machine Type	:	Automatic
Dimension:	:	L1180 x W850 x H1100 (mm)
Power	:	2 HP, Three Phase, 0.75 Kw, 220/380 ACV
Power Source	:	220/380 ACV
Approximate Material	:	Internal made by MS and SS and Rubber
Weight	:	240 kg Approx.
Warranty	:	1 Year
Basic Rate	:	5,50,000/-Rs

Energy saving unit

No damage to Almonds

Description:

Features of Wet Almond Peeling Machine

Using the principle of imitating hand peeling and the special principle of peeling, it has the characteristics of high peeling rate, high kernelling rate and no pollution.

In addition, the finished products after peeling are not broken, bright color, non-browning surface, protein invariance. High efficiency and easy operation.

Working Process of Almond Peeling Equipment

The peanut almonds soaked in hot water are poured into the hopper, and the raw materials are vibrated into the rotating rubber wheel.

The blade on the tool holder cuts the raw materials 'outer skin, and the almonds are peeled by friction of the peeling rubber ring.

Then the peeled almonds are pressed into the hopper by the discharging wheel and discharged in the discharging hopper, and the outer skin is thrown out by the discharging wheel.

TERMS AND CONDITION

1 Acceptance:

A Purchase order from customer implies acceptance of the terms contained in this offer. Nonconformance to these terms may result in longer order processing and delay in Delivery. Order acceptance will be sent by A.P.S. Industries after receipt of Purchase order.

2 Placements of Orders:

Please raise purchase order in the name of

A.P.S. INDUSTRIES

30, Abhinav Arcade, between Manmohan cross road to ring road, Odhav, Ahmadabad

3 Delivery time:

1 -2 weeks from the date of order (excluding shipping time) The Company is not Responsible for losses incurred due to delivery schedule and transit delay.

4 Taxes and Duties

Taxes and duties will be as applicable at the time of invoice.

5 Freight

Freight will be charged extra at actual.

6 Insurance

Insurance will be at an additional cost if required.

7 Packing & Forwarding

Packing and forwarding will cost extra at actual...

9 Payment Terms:

50% Advance along with PO, 50% before delivery.

10 Offer Validity:

Unless revised earlier, this offer is valid for a period of 30 days from the date delivery schedule would change if ordered beyond the above mentioned date Extra (G.S.T. Other all taxes) as applicable. At our works, prior to dispatch.

Others: *All transaction is subject to Ahmadabad Jurisdiction*

Live demo is available in our factory.

To take a demo of machine please call to this number and take appointment mo-8238550555
